## TECHNICAL DATA SHEET

| Specification  |                                    |
|--|------------------------------------|
| Product Name   | Naphthol AS-G                      |
| C.I.No.  | Azoic Coupling Component 5 (37610) |
| Appearance   | Light Grey White powder            |
| Shade (coupled with Scarlet R base on cotton)  | Similar to Standard                |
| Strength % (coupled with Scarlet R base on cotton)   | 100%                               |
| Purity (%)   | ≥95.5%                             |
| Mesh   | 60                                 |
| Insolubles (%)   | ≤0.5%                              |
| Packing  |                                    |
| 25KG P.W. Bag / Iron Drum  |                                    |
| Application  |                                    |
| 1. Mainly used for the dyeing and printing on cotton yarn, cotton fabrics, viscose fibre, silk and acetate fiber |                                    |
